

Carrier® Côr™ Thermostat

The smart thermostat from the people who invented modern air conditioning.

What You Can Expect From Carrier.

Efficiency, simplicity, expertise; the Carrier® Côm™ thermostat represents years of research and design with one goal in mind – maximizing your family’s comfort.

Smart.

Take control of your home comfort with a fingertip or just let the Côm™ thermostat do the work for you. Homeowners saved an average of 20% on their heating and cooling energy costs* with features like smart recovery, a function that intelligently adapts beyond manual programming for greater efficiency, while still meeting their ideal comfort levels.

*Based on a 2012 third party study comparing Carrier® Côm™ technology to the estimated cost of a non-programmable thermostat set at 72°F at all times.

Advanced Software.

The Côm™ thermostat automatically downloads the latest software, so its features are always up-to-date. That includes easy-to-read energy reports that help you make the connection between thermostat settings, weather changes and your energy bills. You’ll also receive customized tips to help you save even more.

Anywhere Access.

Home comfort is easily accessible online and with the free, downloadable mobile app. In your family room, at the office, or anywhere in the world, you can’t beat the convenience. Our secure web portal lets you maintain control over comfort and efficiency settings using a connected device.

Professional Installation.

Professional installation from a trained Carrier® expert ensures that your Côm™ thermostat is set up correctly from the get-go. And automated alerts let you know when something is amiss, with the ability to contact your dealer right away.

Limited Warranty.

To the original owner, the Côm™ thermostat is covered by a five-year parts limited warranty upon timely registration. The limited warranty period is three years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty period. See warranty certificate at carrier.com for complete details and restrictions.

The Carrier® Difference.

The Carrier® C^or™ thermostat takes its place on your wall and commands your attention with its sleek, smartphone-like touchscreen. From initial setup to customizing your comfort schedule to managing energy use, it puts efficiency, simplicity and expertise at your fingertips.

Efficiency

The C^or™ thermostat is flexible enough to work with almost any brand of home comfort system, giving homeowners the power to save an average of 20% on their heating and cooling energy costs.* Take control or let us do the work for you with intelligent algorithms that decide how to produce the best possible combination of comfort and energy savings. The C^or thermostat offers unprecedented access to home-energy-use reports that track back to the day your thermostat was installed in easy-to-understand graphic formats.

* Based on a 2012 third party study comparing Carrier® C^or™ technology to the estimated cost of a non-programmable thermostat set at 72°F at all times.

Simplicity

An inviting, touchscreen interface offers easy control at home, while a user-friendly mobile app allows access from virtually anywhere. Optimized for smartphones and available in a larger format "dashboard" view for tablets and computers, navigating the advanced

We weren't born yesterday.

A century of innovation and industry experience in home comfort, we've delivered a smart thermostat that truly lives up to the name. Offering efficiency, peace of mind and powerful comfort control, the C^or™ is just one more reason to turn to the experts.

Willis Carrier

The Total Indoor Comfort System.

Your Carrier® dealer will recommend a system that is best suited to meet your home-comfort needs and local weather environment:

1. **Air Conditioner** provides reliable, high-efficiency cooling for long-lasting comfort and energy savings.
2. **Gas Furnace** provides reliable, high-efficiency heating for long-lasting comfort and energy savings.
3. **Côr™ Thermostat** puts efficiency, simplicity and expertise at your fingertips with unprecedented convenience – from the wall control, wireless home networks or anywhere in the connected world.
4. **Zoning** sets different temperatures for up to eight different areas of your home for truly customized comfort and enhanced utility savings.
5. **Air Cleaner** improves air quality by removing harmful and irritating airborne pollutants from your home.
6. **Humidifier** replenishes moisture to dry air.
7. **UV Lamp** inhibits the growth of contaminants on the evaporator coil, leaving your home with cleaner, fresher indoor air.
8. **Ventilator** combines fresh outdoor air with conditioned indoor air for improved air quality – great for today's tightly constructed home.
9. **Evaporator Coil** is matched with the proper outdoor unit to provide top heating and cooling efficiency and years of reliable service.

More Than a Century of Cool.

In 1902, a determined engineer answered one of mankind's most nagging questions: How do we make hot, sticky, indoor air go away? In creating the world's first modern air conditioner, Willis Carrier forever changed indoor life, and, more than a century later, the company that bears his name takes inspiration from his example.

Carrier continues to improve on our founder's breakthroughs, introducing new technologies that make life at home even cooler. Today, our nationwide network of experts continues to advance Willis Carrier's lifework. Your expert Carrier® dealer is equipped to evaluate your home and create a customized system designed around your lifestyle.
